COSTUMES

As costumes arrive, they will be tried on and distributed during classes. Ship dates vary widely so do not worry if your student has not received their costume yet. Once brought home, costumes should be hung up in a safe place and NOT WORN until dress rehearsal.

If your dancers' costume comes with tights, please have them try them on at home for fit and let us know ASAP if a different size is needed.

A skin tone leotard is strongly recommended for all dancers, especially those with costume changes. They are available from the [Nimbly website](#) (create an account to purchase), Discount Dance Supply or any dancewear retailer.

HAIR & MAKEUP

All dancers are encouraged, but not required, to wear stage makeup for dress rehearsal and performances. Makeup helps enhance features and prevent being washed out under stage lights.

STAGE MAKEUP

Neutral eyeshadow, blush, a light red lip **stain** instead of lipstick is recommended as it will not bleed or stain costumes.

Eyeliner, mascara, and foundation are optional for older dancers. No jewelry, one set of stud earrings only please. Clear or no nail polish only-both fingers and toes.

HAIR

Unless indicated otherwise, feel free to use this [YouTube tutorial](#) for the best show-day hair! Class-specific hair information will be posted on our [recital website](#) in the coming weeks.
